## BHA'S WATER STORAGE PROJECT

Blue Horizon Aid, a non-governmental organization that provides humanitarian assistance and development projects in Ghana, recently met with the opinion leaders of Kanya Community, a rural settlement in the Central region of Ghana, to discuss the construction of a water storage facility.

The meeting, which took place on November 29, 2023, at the community's local priest residence. It was attended by the local priest, men's organizer and a member of the women's group of Kanya Community, as well as the representatives of Blue Horizon Aid.

These include Francis Teye Kodzi( Project Coordinator) Benjamin Turkson (Exec Director), Eric Acheampong ( Civil Engineer), Alfred ( Plumber)

The purpose of the meeting was to finalise the discussion on the start date and location of the water storage project, which aims to improve the access to water for domestic and agricultural use in the community, especially during the dry season.

The project involves the construction of concrete platform and a Polytank on a nearby well, as well as the installation of pipes, taps, and possibility of irrigation systems.

The project coordinator, Francis Teye explained the benefits and challenges of the project, as well as the roles and responsibilities of the stakeholders. He also solicited the feedback, suggestions, and concerns of the community members, and answered their questions.

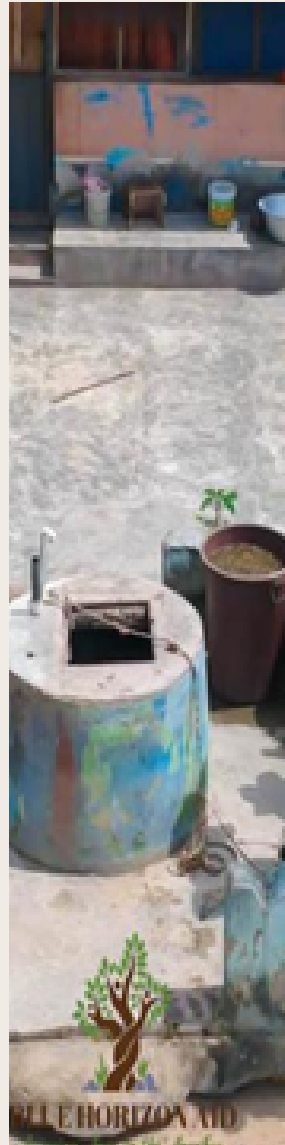

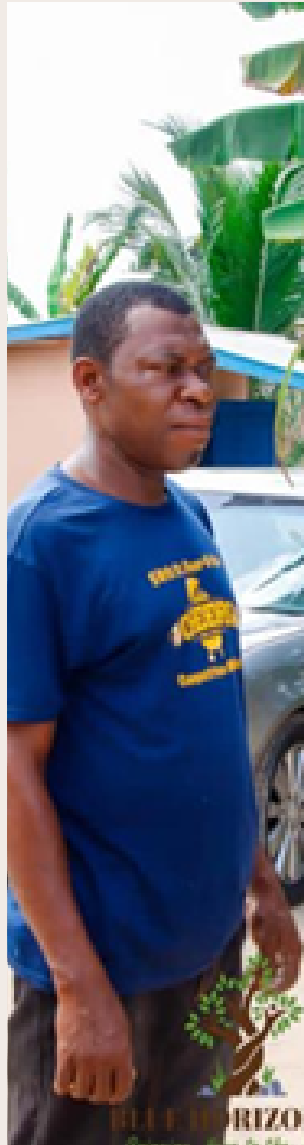

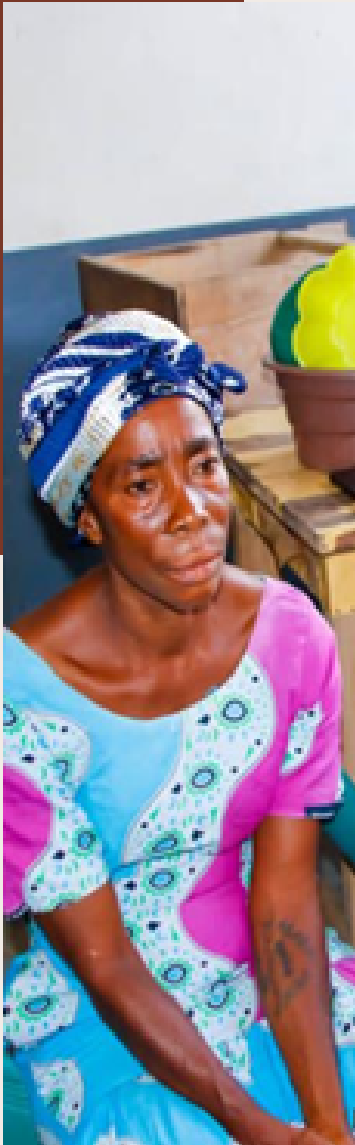

The community representatives expressed their appreciation and support for the project, as they recognized the need and the value of having a reliable and sufficient water supply. They also raised some issues, such as the environmental impact, the maintenance, and the sustainability of the project.

They requested that the Blue Horizon Aid team consult with them regularly and involve them in the planning, implementation, and monitoring of the project.

The meeting ended with a vote of thanks from the youth leader and a prayer from the priest. The Blue Horizon Aid team promised to follow up with the community and to start the project as soon as possible.

The water storage project is part of the broader development program of Blue Horizon Aid in the central region , which also includes the provision of clean drinking water and education to the vulnerable populations.

# GOD IS FAITHFUL AND JUST

Scripture Reading: 1 John 1

If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. 1 John 1:9

This passage reveals three attributes of God concerning sin.

1. God is just. God's justice requires that He punishes sin. Sin violates God's standard. Whenever we sin, we break God's holy standards. For God to uphold those holy standards, His justice demands that He removes both the sin and the sinner from His presence.

WELCOME TO OUR

## CHRISTIAN MESSAGE

Bishop Jonathan  
Ekuban

A just God cannot allow sin to go unpunished. However, if God acts only on His just nature, human beings, whom He created in His image, would have to be totally removed from His presence.

How does a just God keep human beings who are prone to sin in His presence?

2. God is faithful. God is both just and faithful. His faithfulness allows Him to keep faith with human beings. So that even though we sin and offend God's holy standards, He wants us in His presence.

# GOD IS FAITHFUL AND JUST

2. God is faithful. God is both just and faithful. His faithfulness allows Him to keep faith with human beings. So that even though we sin and offend God's holy standards, He wants us in His presence.

To do that, God provided a way for us to pay for our sins without suffering for them. He paid for our sins. All we need to do is accept our sins – confess our sins.

3. God forgives. When we confess our sins, God wipes them away and brings us into His presence. He does that for both the vilest sinner who needs new life in Christ and the righteous saint who falls short of God's standards. Instead of covering up our sins and making excuses for them, John calls us to confess our sins.

As children of God, we should be ready at all times to acknowledge any failure which God's light may expose to us.

For us to walk day by day in fellowship with God and with our fellow believers, we must confess our sins: sins of commission or sins of omission, sins of thought, sins of act, secret sins, and public sins.

We must drag them out into the open before God, call them by their names, take sides with God against them, and forsake them. That is what God's justice and faithfulness require.

## PRAYER

Heavenly Father, have mercy on me. Forgive me. Wash me and cleanse me from all sin and unrighteousness. In Jesus' name, Amen.

## WELCOME TO OUR DIRECTOR'S MESSAGE

MR BENJAMIN TURKSON  
(EXECUTIVE DIRECTOR- BHA)

We welcome you all to the November, 2023 edition of the BHA Newsletter. BHA is continually working and contributing towards ensuring an improved quality of life for the poor and needy.

God Almighty, thank you for your unconditional love and protection in our lives, thank you for your grace and your blessings over us. This message is to our readers and Ghana Freundeskreis for their generosity and support. Sending a heartfelt appreciation your way! The world is a better place because there are always people like you out there helping others.
